C.A. No. 1:19-cv-12533-WGY

[PROPOSED] AMENDED PRETRIAL SCHEDULE

WHEREAS the parties previously submitted a proposed pretrial schedule, which the Court has not yet approved.

WHEREAS Bio-Rad, Harvard, and 10X have continued to coordinate on the case schedule and hereby jointly propose an updated pretrial schedule that accommodates additional time for depositions of Bio-Rad's and 10X's CEOs. Stillia does not oppose the proposed updated pretrial schedule.

IT IS HEREBY ORDERED that the schedule and deadlines in Civil Action No. 1:19-cv-11587-WGY and Civil Action No. 1:19-cv-12533-WGY are amended as follows:

² 10X proposes that the deadline for amendment of pleadings without leave of Court be March 26, 2021 for the patent case and May 7, 2021 for the antitrust case. Bio-Rad does not agree that 10X should be allowed to amend pleadings without leave of Court at this stage. To conserve the Court's and the parties' resources at this time, the parties have agreed to raise this issue with the Court later, if and when 10X attempts to file amended pleadings.
